W. A. GAVIN (N. E. A Staff Special) NEW YORK, Feb. 12 - Strike when the iron's hot. Then keep on strik-

the iron's hot then seep on ing.
That's how William A. Gavin has come to be the power back of New York state's boxing law.
He's planning to do for every state what he's accomplished at home.
Three years ago Gavin took his cue from the government when fine stamp of approval was put on boxing in the army.

He planned the International Sports ing club.

He wrote the boxing law of the Empire state. It is now being accepted as a model everywhere.

Recently he called a boxing congress in New York at which plans were

gress in New York at which plans were made to supervise the game.

This purpose is to bring it up to the tevet reached in England.

"When I first expressed my ideas in New York they told me they wouldn't do." says Gayin.

"But today the International Sporting club has 2,000 members.

"It numbers among them Theodors Roossvelt, Bodman Wanamaker, Reg-

Nood. T. Vanderbilt and Gen. Leonard Wood.
